### Lending & Membership

To make the Christmas season merry & joyous, come to the credit union and join us!  
If you need some help over the festive spell, Why don't you Pop-in or give us a bell?

We are seeking volunteers who can commit to a minimum of 2 hours per week. This is a great opportunity for individuals to give back to the community and gain experience. If you are interested, please contact us.

Over the last month we have put 2 boxes in the foyer of the office. 1 box is for any non-perishable goods and the other is for bags for life. This is to help a local cause The Wee Mobile Food Bank. All donations will greatly help people in need during the winter months.

We have a selection of books available for anyone who would like to take them home in exchange for a donation to our St Andrews Hospice Box.

### Communication from the Board of Directors

Ensuring that your nominee information is up to date is crucial as they will receive any funds in the account up to £5,000 in the event of death. Any other funds will require a Will or Grant of Confirmation

The month of October begins Free Wills Month. Offering members of the public aged 55 and over the opportunity to have their sample Wills written or updated free of charge by using participating solicitors in selected location across England and Scotland. Contact your local solicitors to see if they are participating.
